

Joelyn Lutz

SINGER-SONGWRITER · PISMO BEACH, CA

Joelyn Lutz writes and performs original songs rooted in rock, country, jazz, R&B, and world music, from slow ballads to grooves you can dance to. She played lead guitar in the 1980s all-woman rock band Teazer, spent years teaching voice and guitar, and has since released five solo albums, most recently *All of Us*.

Every recording and every live show is tuned to 432 Hz, a slightly lower concert pitch she describes as a healing vibration. Her home stage is the Pismo Beach pier; she also plays house concerts, wineries, restaurants, wellness retreats, and private events anywhere within about three hours of Pismo Beach.

Joelyn performs originals only, so every set is a one-of-a-kind evening rather than a cover show.
